April and May were full of activities for us. April 2nd, 3rd & 4th we were privileged to be in Rhode Island for the NE GIBF meeting held at Blackstone Valley Baptist Church, in Cumberland, RI. This was a great meeting, and I might say a rare one for New England. It was good for us to see old friends and family members who we had not seen for some time. Twenty preachers from eight states and the province of Quebec attended the meeting. Pastor Randy Lewis, his wife, Kathy, and the church family did an extraordinary job of hosting the meeting. It was yet another meeting from which the preachers and their members went home encouraged in the work of the Lord.

April 23rd and 24th, I preached at the annual missions conference in Alvarado, Texas, where Paul Calaway is the newly installed pastor. It was a great time getting acquainted with the new pastor.

April 25th and 26th, I moved down to San Angelo and preached the annual missions conference of the Harvest Baptist Church, where Ron Patterson is the pastor. This was my third missions conference at Harvest Baptist Church. It was a great joy to see Mrs. Patterson actively involved once again in ministry. You will remember she had a kidney transplant not long ago. Although I know there are complications for her at times, she seems to be doing very well

In May, I attended the Heartland Graduation Preaching Conference. As usual, it was an outstanding meeting. We are available for meetings and eager to travel just about anywhere to help the churches. The Lord has provided for us as He promised He would. May the Lord bless you richly for your part in supplying our needs. Please pray for us as we labor among the churches.

Best Wishes, Always!
