June 2006 Report *From* Missionary / Evangelist **Robert Lewis**

602 Manco Road, Lewisville, Texas 75067

We have just been home a few days, having traveled to the east coast to participate in several meetings. Our first meeting was with Christ Independent Baptist Church in Philadelphia. After this meeting, we spent a week with Pastor Pete Montero, of the Open Bible Baptist Church in Astoria, Queens, NY. There were several decisions made for the Lord during the meeting. It was special time for us to get acquainted with Pastor Montero and his church family, ten of which are his own children! From New York, we traveled to Rhode Island and spent Memorial Day with our son and his family on a picnic near the ocean. After making brief contacts with other pastors in the area, we drove back to Maryland for services on May 4th. We enjoyed the day with Pastor Harold Dixon and the friendly people of Cross County Baptist Church. They were eager to hear of the progress of the work in Baghdad. We are home (in Texas) now. We are making plans for a trip to Colorado at the end of the month to preach at a family camp sponsored by Pastor Kenneth Oster and the San Luis Valley Baptist Church. Traveling is very expensive, but we are committed to go as far as the Lord permits, and as long as He provides. Thanks for your part!

“We had a tremendous Missions Conference here at Christ Independent Baptist Church. Bro. and Mrs. Lewis were here with Bro. Lewis as our main preacher. The Lord blessed the Conference in so many ways and challenged the church! Bro. Lewis preached some great messages that were right on target! God moved in a great way this week. We had three folks saved during the Saturday soul winning. One was saved during services and later baptized in the Sunday evening service. Five folks surrendered to missionary service! The church also saw a 25% increase in faith promise over last year. Praise the Lord!”
