

We have been on the trail again in August. My wife and I flew to Niagara Falls, New York, to preach a revival meeting for

Matthew Furan at the Calvary Baptist Church. This is a mature church with many members that have been there for decades. It was real blessing to encourage them and challenge them to prepare

for the next generation of believers. My wife played the organ in some of the services while the lady who normally plays it had some medical procedures done. There are some new families in the church and the Furan family is hitting it hard with visitation, soul winning and teaching. We were received well, and the Lord blessed the preaching of his Word with several decisions for the Lord, and testimonies as evidence. Pastor Furan's son, Eric, led the singing. At the end of the meeting he loaded up to go to Heartland BBC to enroll as a music student. After the meeting with Calvary Baptist Church, my wife and I flew to Boston to participate in the 35th anniversary revival meeting at Blackstone Valley Baptist Church in Cumberland, RI. This is the church that we started in 1975. Our son, Randy Lewis, has been

the pastor of the church for eight years. He and his wife Kathy, have four children. All of them are working hard for the Lord. While I was there, I preached again on "The Generation to Come", encouraging them all to expect the Lord to help them pass down real Bible Christianity to the next generation. We celebrated three generations of preachers in my own family. My son's son, Justin, is just 20 years old, but he is confident that the Lord wants him in ministry. He has attended one year of Bible college already and is currently serving part time on the staff at BVBC. He would like to work with the Spanish people.

He has attended one year of Bible college already and is currently serving part time on the staff at BVBC. He would like to work with the Spanish people.

Evangelist Danny Long preached Monday through Friday, something that is almost unheard of these days. The crowd was up every night and they participated in the service with enthusiasm. The altars were filled each service. Danny's wife, Pam, sang each night and added a real blessing to the meetings.

While the weather in Texas was over 100 degrees for several days in a row, the Lord allowed us to be in beautiful New England. We did return to Dallas on the 23rd of August to participate in the 2010 Deputation School. Every year, during the

last week of August, we bring the new GIBM missionary candidates to Lewisville and have three days of intensive training for them. This year Troy Dorrell and Kenneth Walters as-

sisted Pastor Dick Webster and me with a host of missionary and family related topics. The candidates who participated are Jeremy and Kimberly Hatch, Scott and Erica Bolticoff,

and Paul and Sara Leclercq. Once they have completed the deputation school, they will be introduced to the fellowship at a national meeting.

Best Wishes Always!

Robert Lewis
