Dear Friends,

It has been three years and one month since we came to Waxahachie to help a hurting church. There were five active members at that time. We knew when we came that we could not be the long-term solution to the leadership role. We prayed for laborers, for finances, and for leadership. The Lord has answered our prayers in all three categories. James Worley is the

Pastor that the Lord provided. He brought with him to the church family the members of the Lighthouse Baptist Church. Last night in the evening service I “passed the baton” to him and his wife Carinda. The church is at a high point historically. The attendance is up. . . the bills are paid. . . the missionaries are being supported on time. The people are happy, and there is a significant balance in the bank accounts. This has been a good and productive chapter for Judy and me. We are excited once again for the next chapter of our adventure for the Lord. We are now

taking meetings for September and beyond. We feel that we can help raise money for missionaries, preach revivals, and be involved in Bible Conferences in a productive way. Judy is a capable speaker for most any women’s meeting.

In the meantime, we are asking the Lord to help us find a late model motorhome that is just large enough for the two of us. We have some money to place on it, but would appreciate your consideration to help us to purchase it.

With all best wishes,

Robert Lewis
