Friends,

As I mentioned in our last letter, Benjamin Park has invited us to come to South Korea and preach at their annual IFB meeting. In addition, I will be preaching a revival meeting and speaking at two or three other churches as well. He has also asked my wife to speak to the women at the IFB meeting two times. We are both excited about going. We are cleared to travel to South Korea as long as we do not have the Covid virus when we get on the airplane. The dates are compatible with our schedule here in Rhode Island, so, I booked the tickets. They are about \$3800 round trip for the both of us. We have asked the Lord for some help with this financial commitment and we are trusting Him to work it out according to His will. We will be leaving from Boston on August 24th and returning on September 9th.

There is great news about the North Tiverton Baptist Church. The attendance is holding steady and several visitors have come to the services in the last few weeks. We have restarted the 6pm Sunday service and have had great participation in our one day "Kids Faire". There are four people to be baptized on July 24th. We are now preparing for DVBS which will occur August 1-5, at 6-8 pm. The people are responding well to the change in leadership. Brother and Mrs. Hamilton are leaving Rhode Island the first week of August. They have served the Lord long and well in this ministry and we wish them the very best for the future. Brother Hamilton recently preached here and the church showered both him and his wife with gifts and love offerings.
