Since Deputation School in August, we have been very busy. In Indianapolis, the pastors of the GIBF raised \$12,000 for the work for the GIBMissions Office. This was \$2,000 more than the goal. In addition, we were privileged to introduce four missionary families to the fellowship. It is a real source of joy to participate in the meetings where the Lord is calling out laborers for His harvest. Every one of the National GIBF meetings has been a real blessing. The sermons will appear on the GIBF website in audio format.

October 10-14, we participated in the annual Missions Conference at Bible Baptist Temple in Tulsa, Oklahoma. Pastor Roy Prince has led the church to give nearly an equal amount to missions, through faith promise giving, as they give to the general fund. October 17-21, we participated in the annual Missions Conference at Calvary Baptist Church, Chickasha, Oklahoma. The missions offering was outstanding. It went up by about \$14,000, which was an increase of more than 30% over last year's giving. We are traveling to these meetings in our truck and fifth wheel trailer, which we are trying to pay off. We have a balance of about \$24,000 on the both of them.

Pastor Dick Webster and I will travel to Manila, Philippines, to help organize a fellowship and to activate a GIBM office for the Filipino pastors. This is a great undertaking which was motivated by Larry Obero, of Bible Baptist Church of National City, California. Our plane tickets have been taken care of, but there will be hotel, food and local travel arrangements to pay for. We are determined not to be burdensome to the Filipino churches. They have little enough. Perhaps you could send a special offering for this project.

In addition to the national meetings and the mission's conferences, we are "filling in" at the First Missionary Baptist Church, Healdton, Oklahoma. This is an exciting work that is just over one hour from where we live. The people are eager to move forward and they have a good foundation from which to do so. This has provided additional opportunities for us to minister for the Lord.

We have been receiving about \$1,500 each month in support through the GIBMissions Office. This amount is slowly increasing. This is important because we do not take a salary from the office. We are thankful for each church that is willing to help us in this work.
