Friends,

It seems that our letters are chapters in the never ending story of traveling and preaching. We have been on the road so much that this letter is overdue. I shall attempt to bring you up to date with this writing. In February, we preached the closing message of the missions conference for Pastor Bill Fincher of the Central Baptist Church, Gainesville, TX. In March, we drove to Rock Hill, SC, to preach a missions conference at the Southside Baptist Church, where Kenneth Walters is the pastor. On the way back from SC, we stopped in Youngsville, LA, and preached one service at the Temple Baptist Church where church planter Tim Hewitt is laboring faithfully for the Lord. March 15, we drove to Bellevue, NE, to preach at the annual missions conference of Midlands Bible Baptist Church, where Davis Lydick is the pastor. March 23 - 30, we participated in the annual missions conference at Southwest Baptist Church, Tulsa, OK, where Lyndel Hix is the pastor. On March 17, I preached for Pastor Tim Ruegg at Calvary Baptist Church, Seward, NE. March 23 - 30, we participated in the annual missions conference at Southwest Baptist Church, Tulsa, OK, where Lyndel Hix is the pastor. On our way to New York state, we stopped in Indianapolis to visit with church planter Bob F. Williams and his wife, Sue. They are excited about the new opportunity the Lord has provided for them. While we were in the area, I preached at Solid Rock Baptist Church, Pendleton, IN, where Bob Hargis is the pastor. This church is a mission from the Cornerstone Baptist Church, where Don Mitchell is the pastor. In New York state, it was our privilege to preach a missions conference on April 3 - 6, for Hiram Davis, pastor of Cornerstone Baptist Church, Fleischmanns, NY. April 10 - 13, we rejoiced to participate in the annual missions conference at Grace Bible Baptist Church, Vernon, CT, where our long time friends David and Dorothy Davis minister. Today (April 15) we will drive to Brunswick, ME, to speak at a men's conference conducted by Pastor Bobby Mitchell of the Mid-Coast Baptist Church. April 17th and 21st, I will speak at North Tiverton Baptist Church, Tiverton, RI, where Mike Hamilton is the pastor. April 20th, I will be honored to speak at Blackstone Valley Baptist Church in Cumberland, RI. This church is the one my wife and I planted in 1975 and is now pastored by our son Randy. THEN we will travel to Vermont to preach at Bible Baptist Church in Lowell where Brian Fecher is the pastor. Finally, we will drive to St. Hubert, Quebec, April 27 to preach at Metropolitan Eglise Biblique Baptiste Sud, where Mario Monette is pastor. May 1-4, I will preach the annual missions conference for Pastor Bob Stevens, Elgise Biblique Baptiste, Sherbrooke, QC. We will then begin our journey back to Texas to regroup and pay attention to projects awaiting us at the missions office.

In one of the above mentioned meetings, a sixteen year old girl came to us after one of the services and said, "I am praying about being a missionary." After another meeting in a different church, a fourteen year old boy sent me an email and said, "After hearing your preaching, I gave myself to the Lord..."

Let me say that my wife and I love doing what we are doing for the Lord. Your prayers and financial help make it possible for us to continue. We go through the doors that the Lord opens to us, and we are thankful that He has something we can do for Him and that HE provides our needs.

We will attempt to make regular journal entries at: <http://www.rl-lewis.blogspot.com/>. You are welcome to join us there.

With all best wishes,

Robert Lewis
