GIBM GLOBAL INDEPENDENT
BAPTIST MISSIONS

October 14, 2021

Dear Pastor Friends,

Since our last letter the Lord has stepped up the pace on the opportunities for ministry. Like the trucks that are waiting for drivers to carry the cargo from the international ports to the consumers, churches are praying for laborers to offload the gospel in communities around the globe. The need is great, and the time is short. Unfortunately, the labor force in the ministry has diminished along with the closing of many churches. The good news is that there are many courageous and faithful Christians persevering these unprecedented times with the help and grace of God.

My wife and I have been on the Road since the first week of August. We have been in about twenty churches, and we have about six more to help before December 1st. There seems to be a spirit of revival rising in the churches of New England. We have long prayed for this, and we are excited about it. In fact, we are praying about spending more time helping churches here in the future.

We have made several new friends on this trip and the Lord has given us some fruit for our Labors. While with Hiram Davis in Fleischmanns, NY, the Lord led us to a man who was eager to be saved. His name is Alan. He came to the services after asking Jesus into his heart while we visited with him in the hot sun in his driveway. Another lady named Danielle who waited on us at a breakfast diner in New Hampshire, asked Jesus to save her soul as we talked with her at the diner.

I have heard all the bad news. It seems to get worse daily. The good news about this is that people need to talk to someone who will be able to deliver the most precious goods to them for their peace and satisfaction. That is the gospel! Everyone needs it and most people don't have it. What an opportunity! It seems that misery leads to ministry. Several churches have asked for help in finding leadership for their congregations. I cannot be the "long-term" solution to their dilemmas, but my wife and I are still willing to do what we can with what the Lord has given us to work with.

The Lord allowed us to rent out our motorhome while I was writing a book and not having many meetings. This was a good plan and the Lord used it to help us through the down time without falling behind financially. Trouble is, I cannot rent it out and use it at the same time. We have asked the Lord to allow us to pay it off and use it continuously. We are not behind on anything, but we have a significant payment on the motorhome. We owe \$50 K on it. We could sell it, but we prefer to use it to visit the churches and help the preachers.

Best Wishes Always!
