Dear Pastors and Friends in the Ministry,

Most of you will know by now that just seven weeks ago the Lord took me through the valley of the shadow of death . . . again. Believe it or not, this quadruple by-pass was a piece of cake compared to the experience I had in 1991 when I was hit by a jeep. The doctor wanted me to go into the hospital to correct a “small irregularity” in my arteries by inserting a stent. However, when they were able to look inside with a scope, they found what the doctor called the “widow maker” inside of my heart waiting to give me a stroke or worse. Two days later I had the surgery and many of you knew and prayed for me. Thanks. I know this makes a difference. The Lord has allowed me to bounce back into my routine faster than expected. I have had no complications and no bad experiences with medications. In fact I am now planning to preach in several distant missions conferences in the next several weeks. My hospital stay was covered with insurance for the most part. We have only about \$1,500. in incidentals and co-payments to the hospitals and doctors that is due. Some of you have responded to this need already. Thanks.

As we predicted, three new GIBMissionary families were introduced at the February, 2007, GIBF Meeting in National City California. It was truly a GREAT MEETING. You should have been there! It was a meeting about REACHING PEOPLE with the gospel. My wife and I got stranded in California, with many others because of the storms in the mid west. We took a train home, so we did not have to drive.

We now have twenty adult missionaries ministering in thirteen countries who are taking forty-six children with them. Four of our missionaries are preacher's Children and three of them are missionary children. You will soon be able to see all their profile information on the website.

A preacher recently reminded me that we do not know how much time we have left. This is why we are so thankful to be affiliated with a group of pastors and churches that have a vision for reaching souls everywhere. The field is the WORLD. Thank the Lord for the men and women who are not reluctant to follow the Savior during these unpredictable times in which we live.
