November 2005 Report *From* Missionary / Evangelist

**Robert Lewis**

602 Manco Road, Lewisville, Texas 75067

Preaching, traveling, encouraging, printing, emailing are all part of what is going on in our lives at this time. We traveled to the September GIBF meeting in Sioux City, Iowa and preached in several churches before and after the meeting.

After returning from the NE Regional GIBF meeting in Rock Forest, Quebec, I flew to Tampa to gather up the documents necessary to print a 2006 / 2007 GIBF Directory. Brother Turner and his staff have done a great job in the past with it. It seems to be the logical conclusion that the directory should be printed in the future from the Missions Office. This is a big job and we will need much prayer to bring all the information together properly.

Today, we are at home in Texas. It was Friend Day here at Liberty Baptist Church. Pastor and Mrs. Webster are celebrating their twenty-first anniversary with the church. Seventeen people made professions of faith at the altar this morning. Praise the Lord!

In a few days, my wife and I will travel to the hurricane devastated areas of the South to deliver more aid provided by our pastor friends and their churches. We will be working through independent Baptist preachers who live in the affected area.

We will be in San Angelo, Texas, for a missions conference in April. In May, just after the graduation at Heartland Baptist Bible College, we will travel to Philadelphia, Pennsylvania for another missions conference.

We need to raise \$16,000 by January for the new lease agreement for Bible Baptist Church in Baghdad. Pastor Ronny George is happily building and battling for the Lord, and he certainly does need some help. Please consider helping. I have started an email group called "The Friends of Ronny George." If you want a blow by blow

report of the spiritual battle we are waging with Brother Ronny in Baghdad, I will be happy to place you on that email list, at your request

If the Lord places us on your heart for a meeting, do not hesitate to call. We will go to any size church in any location, and pay our own fare as necessary. We want to be a blessing.
