Dear Friends,

Well, it is a very unusual and exciting time. I am sending this letter a little earlier than usual to keep you abreast of our ministry and future intentions in light of the cultural changes that are currently occurring all around us. We did take a pretty hard financial hit in April and May. We cancelled five weeks of meetings in Washington State and were in quarantine in South Carolina for another four weeks. We are home now. I have just returned from preaching at the ordination service for Adam Warrad at Buchanan Avenue Baptist Church in Souix City, Iowa. My wife was not able to travel with me as she is staying with our granddaughter who broke her leg in a motorcycle accident. Judy is caring for her and her three children while she recuperates. We do have meetings in July and a missions conference in September.

We have been attending services at Landmark Baptist Church in Red Oak, TX., between our speaking engagements. Pastor Harold Wells is being used of the Lord in a mighty way in that ministry winning souls and supporting missionaries. They recently burned their mortgage.

Last week we had the occasion to have an evening of fellowship in the home of Matt Wilkerson who is the Pastor of Galilean Baptist Church in Cedar Hill, TX. He, his wife, and nine children provided a delightful evening of questions and answers about the ministry. The occasion that triggered this event was the opportunity to bring Steven and his family together with us for the evening. I first met Steven in Baghdad in 2004. Since that time he has spent seven years in Jordan teaching the Word of God. He has a brilliant mind and is stirred up for the cause of Christ.

For the time being we have been renting out our motor home to help pay the bills. So far this has been an unexpected blessing.

With All Best Wishes,

A handwritten signature in blue ink that reads "Robert Lewis".
