GIBM GLOBAL INDEPENDENT
BAPTIST MISSIONS

July 19, 2021

Dear Pastor Friends,

In just a few days we will be leaving for an extended tour of the New England States. We have a pretty full schedule with some leeway for additional meetings. When people ask me how I am doing, I usually say, "Better than expected." I say that because I was nobody's bet for good success. The truth is that not only have I done better than expected, I have most certainly done *better than I deserve*. That is the bigger point. Our health continues to be good (*both of us have had our annual checkups recently*). The COVID downturn of activity has been a blessing in disguise. We have had two seasons of renting out our motor home with good success. In the mean time, I have been able to help a local church here in Texas by leading the singing and teaching the adult Bible Study. It has kept me close to home and given me time needed to finish a book entitled Finishing the Race of Life. It is going out to the publisher next week. I will make it available for purchase through the GIBFmail list as soon as it is published. Several churches that are in some kind of dilemma about pastoral leadership have contacted me recently. I am praying that I can help them to a productive and scriptural conclusion to the needs that they have. We are leaving August 6 by car to make the following ministry appointments.

1Pe 4:12-13 Beloved, think it not strange concerning the fiery trial which is to try you, as though some strange thing happened unto you: **13** But rejoice, inasmuch as ye are partakers of Christ's sufferings; that, when his glory shall be revealed, ye may be glad also with exceeding joy.
