January 2006 Report *From* Missionary / Evangelist

**Robert Lewis**

602 Manco Road, Lewisville, Texas 75067

## Ronny George visits New England

It has been a whirlwind tour, but we were able to introduce Ronny George to a number of our helpers this past week. Pastor Randy Lewis invited about a dozen pastors to a reception at Blackstone Valley Baptist Church on Friday night. The interest level was so high that the church house was nearly filled to capacity. We were able to show a power point presentation. Ronny gave his testimony, and we received a generous offering from the assembly for his work. We are now getting very close to having all the necessary funds collected for the annual rent on the church in Baghdad for the year 2006. We need \$16,000 and the Lord has been very gracious to us in collecting it. We are not quite there yet, but I believe it will come in soon. Ronny was elated with the outcome of the meetings in New England. We had a few pastors who decided to help Ronny on a monthly basis as well. We praise the Lord that we are able to see Him working in this ministry in Baghdad! There are eight souls to be baptized as soon as arrangements can be made for the baptistry. Many of you have not yet met Ronny, nor seen the presentation of the work in Baghdad, but you have been generous to us for this cause anyway. Thank you! We could not get on with this work without your help.

## We are staying Busy

My wife and I are visiting church after church, promoting missions, the GIBMissions office, and missionaries. We will add three missionary couples to the GIBM family in February.

**Ronny George and Pastor Randy Lewis**

We are “gearing up” for the GIBF meeting which will be hosted by Liberty Baptist Church, Lewisville, Texas, on February 20th - 22nd, 2006. If you have not made your plans yet, you will regret it later. It is going to be a great meeting with special emphasis on missions. There will be new GIB Missionaries for you to meet, and great preaching for you to enjoy by some of America’s choice pastors. It will be a great time for reviewing the Lord’s work and renewing our commitment to it. Pastor Webster and Liberty Baptist Church are making every effort to prepare the facilities, the schedule, and the speakers so that those who attend will surely receive a bountiful blessing. I hope to see you in February!
