April 2006 Report *From* Missionary / Evangelist

**Robert Lewis**

602 Manco Road, Lewisville, Texas 75067

During the recent GIBF meeting, we were privileged to add three more couples to the GIBM missionary family. This brings the number to fourteen families with whom we are working for the cause of global evangelism. We anticipate a continued growth based on the interest we have received from the website. All of the missionaries are receiving a warm welcome among the churches. Tim and Hulda Hern- don, (having completed deputation in preparation for their first term) will be leaving for India in May.

We are receiving dozens of sign up cards for the soon to be printed GIBF directory. Hopefully, it will be available at the Sep-tember GIBF meeting in Ypsilanti, Michi- gan.

The Lord has given my wife and me grace for traveling, and a great car. We have more than a dozen meetings in front of us and we trust the Lord will continue to keep us safe as we travel.

Someone recently called and asked me if my wife and I were separated, explaining that this is "what they heard." To set the record straight, we are not now and have never been separated for nearly forty years. However, Mrs. Lewis will be the speaker for the Mother / Daughter Banquet at Blackstone Valley Baptist Church in May. I guess we will be separated "physically" for a few days, but, we are one and we always will be.

*Robert Lewis*

*Thanks to all for your support for my wife and me and the support you have provided for Ronny George. He never complains about the war. He remains excited about the work that the Lord has called him to do. Below are ex- cerpts from recent communications with him. RL*

**Dear Pastor Lewis – March 17, 2006**

How are you and family? Hope everything is good with you, . . . we are safe till now, we are passing through a tough time, its very hard condition but inspite of that we are having our services, today we have a great Bible study, we started today studying the Gospel of Mark. Please continue to pray for us  
In Christ, Ronny

**Dear Pastor Lewis – March 30, 2006**

How are you, hope all is well, . . . thank you for the February support I receive it and I will attach to you the reports soon. I am busy these days to prepare for the resurrection services and celebrations that we are plan- ning to do in our church. I will send a prayer letter with pictures to you and some friends and pastors that I know, also you can send it to the people who are sup- porting us talking in it about the tough and difficult time that we passing through and that how in the middle of the very bad and miserable circumstances we are ex- perienicing and feeling the Lord's peace and trying to get ready to celebrate His resurrection. My questions are: how you celebrate the resurrection? Do celebrate in the Thursday? Do your do the footwashing? Do you do a service on Friday? What you usually do? Be sure to give my and my wife Nina regards to Mrs. Lewis and to Pastor Randy and his family also to your daughter's family.

With all the best wishes  
In Christ, Ronny George
