February 2010 Report from Missionary Evangelist Robert Lewis

Since our last report, we have participated in several missionary events. In December my wife and I traveled to Trinidad to speak at the 10th anniversary service of the Enterprise Baptist Church. This church was started as a mission of Blackstone Valley Baptist Church, Cumberland, RI. John Blackman is the pastor. John Mclean was the missionary who started the church.

On February 10th I returned from Liberia, Costa Rica. I was invited by GIBM missionaries Bob and Joy Martin. We just completed the last module of this semester for the institute which has been conducted in the Bread of Life Baptist Church. I preached at the graduation service. Pastor Eulalio is pictured here at the Graduation Ceremony, with Bob Martin and me.

While in Costa Rica I was also privileged to speak twice at the Lighthouse Children's Home in San Jose. I stayed with long time friends Larry and Paula Neff, founders of the home. It was a very pleasant stay and as always, a real blessing to be out on the front line helping the missionaries.

You will be interested to know that the First Missionary Baptist Church of Healdton, has followed my suggestion and called Kevin Pridemore to come and assume the pastorate of the church. Kevin is a 2009 Graduate of Heartland BBC. His wife will graduate in May 2010. In the next few months I will be working to help them as they assume the responsibility of leadership of this missionary minded church. I am happy that the Lord has helped us to do what we set out to do two and one half years ago in finding the man who will prepare for a long term ministry with this great church family. The church was unanimously in agreement with calling Brother Pridemore. Please pray for him and his family as they make this transition. This is a win, win, *win* situation for all concerned. Brother Kevin is very excited about the way the Lord has answered his prayers about a place of service. The church is excited about getting a new, young pastor with an outstanding preparation and great references.

My wife and I are excited about getting back to a full schedule of visiting other churches and helping the missionary cause of the GIBF / GIBM. We are both eager to go through the doors that the Lord opens for us. We are once again stepping out on faith. We are asking the Lord to supply additional monthly support since we will no longer receive funds from the church in Healdton.

Best Wishes Always!

Robert Lewis
