Friends,

Judy and I did finally travel to Korea at the persistent invitation of Dr. Benjamin Park. I preached more than a dozen times while we were there, and my wife was also used in encouraging the ladies who attended the IBF meeting. We were amazed at the generosity of the people and the overall kindness of the general population. *(Please see attached letter from Benjamin Park.)*

Since our last letter Lord added four more believers to North Tiverton Baptist church by baptism. Each one of them expressed a sincere desire to follow Jesus Christ in their daily lives. We are very thankful that the Lord is blessing our efforts in this regard. It is a real blessing to see the church growing in this difficult season. We certainly need your prayers as we attempt to continue winning the lost to Jesus Christ.

On September 28, I was able to travel to camp Berea, in Hebron, New Hampshire with eight others from this church. We attended the "Men's Advance" which has been hosted by Pastor David Davis for the last several years. It was a tremendous blessing to the men who attended. I believe there were about 60 in attendance in all. David Lydick, Pastor Emeritus, Midlands Bible Baptist Church, Bellevue, Nebraska was the speaker. He pulled no punches and "nailed it" for the men to be leaders in their homes and in their churches. Many decisions were made for the Lord in that brief meeting. At least one man was saved during one of the services. He had a clear and bold testimony of his conversion to Christ and was eager to give his testimony.

The Lord has taken care of our needs in ways that only He can. Our health continues to be good, although we admit our stamina is not what it was at the beginning of our ministry in 1971. We do thank the Lord for each of you who considers us worthy of your prayers. We know all our blessings come from the hand of God, but it is by *your* hands, in many cases, that the Lord has chosen to bless us with *His* bounty. We are not done yet, and we pray He will keep us faithful to His plan for our lives, and for His glory.

With All Best Wishes,

Robert Lewis

Dear Supporting Pastors, Churches, and Praying Friends.

Revival Meeting with Dr. Robert Lewis.

Early September, we had a Fall Revival Meeting with Dr. Robert Lewis, the pastor of North Tiverton Baptist Church of Tiverton, RI. It was our first Revival since we started Daepyeong Bible Baptist Church in 2019 and his preachings on the subject of "Revivals in the Bible" have enlightened and encouraged the hearts of our people. Several members renewed their love and dedication to the Lord. We praise the Lord for the word of God which revives the dead and renews lives of Christians.

Fundamental Baptist Conference.

Daepyeong Bible Baptist Church has hosted the last Fundamental Baptist Conference in 2019. But we were not able to have another one because the COVID19 pandemic has hindered us from having another one for the last 4 years.

However at last, this year, Sep. 4-6, God has helped us to have Brother and Mrs. Robert Lewis to be our main speaker for the conference. We had about 40 preachers and wives from many places of the nation. Our theme was "Now, by the Church" from Eph. 3:10-11. We were reminded that the local Church is God's agency for this time to fulfil His eternal purpose which He has purposed from before the foundation of the World. We were also reminded that the Church is not ours, but the Lord's, and that God is glorified in a sanctified Church. Please continue to pray for our Fundamental churches in S. Korea to stay strong on the Biblical faith and practice.

The Lewis' 57th Anniversary.

September 9th was the 57th wedding anniversary of Brother and Mrs. Lewis. Our people prepared a bouquet and a cake and celebrated this special time together. It was a blessing to watch a young church to love and honor people of God in a special way.

It is a great privilege and honor for us to be your missionaries and to be used for salvation of souls and changed lives in S. Korea. Jae and I are very grateful for you love and sacrificial help without which we won't do any of the things we do for the Lord in S. Korea. May the Lord continue to use and bless you as you strive to spread the gospel of salvation through faith in Jesus Christ all around the globe!

Prayer Requests.

1) Salvations of Souls.
2) Christian Character Class.
3) Laborers in His harvest fields.
4) Discipleship program and growth of newly saved people.

Sincerely in His service,

Your Missionaries to S. Korea,

Benjamin and Jae Park
