My wife and I left home on September 4<sup>th</sup> for a multi-state trip preaching and promoting missions and missionaries. Several things have taken place on this trip which have made it into a real adventure. We are making our maiden voyage in our fifth wheel trailer. My wife does not like highway traveling, but she has been a real trooper on this trip. She has learned how to set up a trailer quickly and make do with the limited provisions. On September 9<sup>th</sup> we quietly celebrated our 40<sup>th</sup> wedding anniversary. During the September GIBF meeting, three more missionaries signed up with GIBMissions, bringing our total to eighteen missionaries. Dick Webster told the pastors who attended the national meeting that my wife and I were underfunded. Many people thought that when we moved to Texas we took on a job with a salary. They were half right. There was a job, but no salary. Pastor Jimmy Walker took up a special offering for us the last night of the meeting. We thank the Lord for the opportunity to work with these great preachers, missionaries, and churches. We have already visited eleven churches and preached in five missions conferences. I had the privilege of preaching at the home missions conference hosted by Yakima Bible Baptist Church, Yakima, Washington. While preaching at Bible Baptist Church in Lakewood, WA., two people placed their faith in Jesus Christ. We are still in the state of Washington. In the morning, we will begin a missions conference with Geoff Miller in Mt. Vernon. We truly appreciate the support that the Lord is providing for us.

*Robert Lewis* — I Corinthians 15:58

**The LORD is my light and my salvation; whom shall I fear? The LORD is the strength of my life; of whom shall I be afraid?** *Psalm 27:1*

Dear Brothers,

If anybody watched the news last Sunday you may know that two explosions took place at the Assyrian church in Baghdad (10 Km far from our church) after the morning service and while people was leaving the church, this church has two gates so this thing help to reduce the number of losses. Seven people died and 17 were injured, one of them lost his leg and another one lost the right eye. After we knew that news many churches stopped the afternoon service, others did the service with Guards around the church, in that day we had a very blessed service, there was no guards around and every one especially the children prayed and sing songs of victory, yes we were in the church because we believe that He is there with us and as long as He is there the enemy will run away. The parents and their children trusted that with Him they shall be in a safeguard. Hallelujah!

*Ronny*

### NOTE:

This February the rent for BBBC will be about one half of what we paid in the past. It will still be about \$10,000 for the year. Perhaps you would like to participate in this miraculous work by helping with the rent or helping with monthly support for Ronny and the church.
