

Invest in what matters

Thrive Adventures Invites you to a training on
**Building the Kingdom
through your small group**

March 27-29, Mount Desert Island, ME

If you are a small group leader...

Help your group apply the Word

We will focus on asking good questions, walking in the light, resolving conflict, and living in grace and truth.

Unite your group as the vibrant Body of Christ

Learn how to set expectations, manage diverse personalities in the group, and build relationship as well as content. Move from a group of individuals to an individual group that reflects Christ.

Empower your group to make a difference

Move your group from being leader-dependent to becoming interdependent, taking ownership for growth, and becoming other-centered. Give your group both an inward focus that supports each other, and an outward evangelistic focus that impacts your church, your community, and the world.

Cost: \$165, includes food and lodging (limited availability)
\$69 for commuters, includes lunch
