AN OPPORTUNITY TO BLESS THE CITY

Imagine a young child, her parents are probably immigrants and have had to face harsh conditions and speak very little English. She is working her way through school, mostly navigating by herself, not having an example of what is like to get through school in the United States. If you were in her shoes, how would it feel having guidance? What if older students, who are similar to you, would take a genuine interest to your growth? What if they loved you tangibly, driven by the desire of serving the Lord? That is exactly what we are doing - with children, with homeless, with college students without a Savior – we are seeking to love them tangibly. We are expectant about what God will do in the lives of the L.A community as much as the lives of all us involved in this first ever full-length Destino LA summer project.

AN OPPORTUNITY TO CONNECT, GROW, RENEW VISION

Every other summer, all of the United States Cru staff gather at Colorado State University for our National Staff Conference. This is a time for connecting, gaining vision, getting training and teaching, and hopefully some refreshment in the mountains. This summer will make my (Trina) 7th trip to CSU! It was there in 2005 that Paul and I met. This year we will also gather a couple of days in the beginning for a time with just the Destino staff family.

AN OPPORTUNITY TO JOIN US

We wish that you could be with us to experience these awesome opportunities, but you can still participate with us in some way. As with all things in our ministry, it is your prayers and generosity that make this summer possible. We need an extra $6000 to cover these events. Would you consider making a special investment this summer to help transform lives?

There are two easy ways you can give:
1. Give online at give.cru.org/0539670
2. Mail a check made payable to Cru, *with a note attached including our names and account #0539670*, to:
