Libertad
FREEDOM

We will be heading to San Antonio January 12-16 for our annual national student conference. This year's theme is Libertad (Freedom) -- Luke 4:18-19. Please be praying with us for this event.

- For students to get the funding they need to make it to the conference
- For safe travel: Paul will again be making the long drive to take a van full of students
- For smooth operations and no major logistical problems
- For the speakers and leaders to be spirit-filled as they lead
- For lives to be forever changed through this conference
- Fruitfulness on the day of outreach in the city of San Antonio (Sunday)

Thank you! Paul & Trina Litwin
