Acts 26:18
To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them, which are sanctified by faith, that is in me.

-Jesus Christ

Dear prayer partners & supporters,

But my God shall supply all your need according to his riches in Glory by Christ Jesus.

Philippians 4:19 KJB

The Means

It's funny how the song is sung today in most churches, how that my God will supply all my need instead what the scripture really says. I guess it's easy to deviate and make it sound more "selfish" than "selfless." Paul gives the promises of God here in the verse above and what a prayer for the saints, truly sacrificial and yet he knows it will be rewarding. We cannot thank you enough for the continuous generosity of the saints to us here as we continue to raise our funds for Mindanao. The Lord has always filled the gas tank and given us food to eat and a shelter to stay in. What more do we need, right? This is the verse that comes to mind: "He daily loaded us with benefits." (Ps 68:19) God has continually provided for our truck to be fixed through his people, and to save about two hundred dollars. Amen! So we now have new brakes and you learn a lot being in different places and with different people. Praise the Lord. It's a great thing to give unto the Lord and to his work, and for us to be able to support two of our own missionaries in the field. Now just to let you know, it wouldn't be possible without your prayers and your continual faithfulness in giving to our ministry financially.

The Ministry

A continuous journey of faith and provision really, the Lord has been giving us more meets in the tri-state area as we are also given an opportunity to be a supply to the local pulpits of two dear Filipino churches who don't have pastors yet. My wife and I are getting obviously closer to the date of our departure and we count it a privilege to be a blessing to others. These last few weeks we have been making our plans to the Lord for Mindanao, talking to pastors who we know there, looking into different projects, and communicating about the ministry. God has given us 10,000 "This was your life" chick tracts for free in the tongue of Cebuano and we will ship them to Cagayan de Oro in the next month. A tract distribution center is going to aid us with tracts as well, in quantity of 28,000 tracts, and we are excited to get these into the hands of the people as well. It has been great to fellowship with some good friends these past weeks, to see their ministry from Mindanao, who we had met in Pensacola before and now they have come to New York this time. What a blessing to talk about planning and the strategies of the ministry as we plan to get there. Wisdom from ones who have been there for a long time is defiantly something to take as a gift that will last for the Lord's eternal work. It was such a short time, but we will meet again, if not on their side then on the Lord's side in Glory. Brethren, as of the month of July we will be heading out to Ohio and hopefully get some support there and stay with some good friends there. We are planning to try to reach California at the last of the month to visit some Filipino works there and present the need.
