Street Ministry every other week in the highways and by- ways . teaching the words of life with my wife proclaiming the gospel to young teenage women .

All the children want to hear the greatest News ,show them the greatest Need and give them the greatest Necessity

This monkey here in the camp I preached ,a hilarious sight the way he is pointing to himself "who Me " ? ,sometimes they would respond better than our very own . How bot that . ?:) I think he was ready for baptism !!

Military outreach . With our new assistant Brother Joseph ..

PREACHING IN CONFERENCE "FAMILY REVIVAL"

"If our belief system cant take place in the home how can we expect it to take place in the very streets"
Evang. Madden

Chick tracts go full speed ahead in Cebuano language . !!! Getting read everywhere . 20,000 tracts just arrived to us . And ready for distribution . Flood the city with tract blitz !!!

Even put them in the religious alters !!!! The word of God will not return void.. .

Mindanao Evangelistic Bible Seminary & Institute has its 27th Graduation ceremony and as faculty and staff I was thankful to play a part in it

My potential young man in training Joshua and Oneal (preparation

To lead men and woman to handle ministry as we depart for our expected Furlough in 2013 of March .

Our Landfill reach out and the reception of the soil of the heart to trust in the bible as their final authority and not to be sidetracked from the influence of alcohol and Rugby (getting high of glue) To have a small church building of wood and metal to start about \$500 to start it , that we may have a meeting place .

A down payment for a vehicle for the family and ministry current down is 2500.00 .its run differently here . What you would pay for a car In the U.S it is double here brand new and 2nd hand here is not good . **Praise !!! The lord has brought \$2000.00 already were about a thousand away from a payment .** We are now in the preparation of forming a church in the Landfill area know as **Zayas Bible Believers Church**
