Happy New Year ! 2015

Its amazing how we look into time and that it waits for no one ,and seeing yourself as what the image of ministry should be . These past months have been involved with with travels as the Christmas season has come and went ,[we apologize for delay with brownouts here you can always visit us on our FB account just type Madden Charles or our Website below](#) , Its been exciting for us to experience great works of God to the hearts of men and woman . Its freezing in the states I'm sure as we embrace the season of rain and flooding with typhoons rip across the eastern seas yet in all of this God is the God of the storm and can has control of it all . What a comfort and yet what a tragedy for many families . I want to take a moment and thank you for your prayers and concerns to us here in Mindanao and I want to personally thank the partnership of our Local church GHF for sending us as your missionaries to the Philippines and it has been and honor and privilege to serve the King of kings . Here are some things that has been going on and continues to grow for his Glory .

## Inmates For Christ

Reaching out to a total of 30 to 50 men a week . The man to the left Middle Picture is the head of the Christian group and the coordinator for our activates , it's a great blessing to have him , his name is Gideon and he was actually falsely accused of possession of illegal drugs and his case is still pending .

## REWARDS OF RIGHTEOUSNESS THE WORK GOES ON FOR 2015

If you look closely at the **far top right picture** , who do you see .? Yes its “Papa” Francis in the Philip-pines in one of the Malls in the city . He gave me a hi five ,I gave him the gospel . Only if that was real . Its jus a replica cardboard poster of him . The pictures to the left are recently visiting the area of the Philippines Tacloban where hundreds of lives were affected in the super Typhoon this past year ,I'm glad I had a chance to go there and preach the gospel especially in the plans of the Pa-pal visit there . What a blessing . One young man read a tract concerning the issue of Religion and

how the church can't save you and he is an alter boy and now decided to commit his life to study Gods word and give his life to

Christ.

A Grand opportunity to once again baptize new converts . This is Claudine she is 22 years old and surrendered her life to Christ before I knew her and was indoctrinated wrong , she asked me if she could get baptized and so I gave here three week course on the meaning of Baptism , Well now she surely knows the word in regards to this misinterpreted bible doctrine that is widely used among the Philippines . Amen !
