

Madden Family Furlough

Good to be back after a four year haul . We are so thankful for your prayers and blessings to us here in Mindanao Philippines and as I have been traveling a little bit not as much as we used to many years back. This has been a great time to reunite with family and spread the Love of Christ and what the Lord has been doing in the field of Mindanao. We have arrived a little over four months ago and my wife and kids had to return to Philippines due to our current life and schooling system there is different from here. Ministry continues to our family and loved ones while I'm here.

The Maddens have some announcements for you in regards to the ministry and things are happening I am so blessed in the great opportunity to see our home church and talk to some wonderful people especially our Pastor who is making transitions after thirty years pastoring Global Harvest Fellowship, if you come to think about it eleven years sometimes feels like a lifetime because you know your not home with all of the culture and communication to learn from being there and truly it is a challenge. Someone once said as missionaries we should " love the people , learn the language and leave other missionaries alone" and I'm so thankful. For the mission work and the Filipino people . I will be making the move to get back to the field this October and we will focus on the blessings of our children's **"Project Hope Mindanao"** this ministry focuses on urban poor outreach and light projects to assist our people to give them some basic necessities of life as of course the gospel . Below is some blessings and the love of Christ spread to them.

Just quality time with Momma and family.

Three Amigos . Can you guess who this is ?

Mmmm Yummyx2

Fellowship with some churches and out supporters of the Ministry good tp see good friends again .

Mission continues!

Prayer Requests

Gods continuous direction in the Field

Spiritual growth of the Harvest

To sell our Van for a more reliable one we are praying God would give us \$5k for it

Building ministry (roughly \$10k for materials and labor)

Health of the family

Update on your Contributions to the Ministry in Mindanao Philippines
