BACK TO BASIC TRAINING!

Amazing adjustments and yet his Abundance is Amazing . The Maddens are truly grateful for such a fruitful Deputation . Ten months has went a long way for us to be engaged with the blessings of the Lord and meet some really good men and women who love the Lord and have their families in all subjection to the Lord . We have traveled the roads of North East and had many opportunities to carry out our faith and see the blessing of the Rewards of the Lord . . Please excuse the extensive delay of this letter coming out . It has been back to back non stop trial of faith physically with a carry out of Measles in the family and Viral Infections but thank God for Probiotics and Prayer , Emotionally of course with all the expected responsibilities and new challenges it takes a toll as they say ., Spiritually yet it works much patience and we see your unfailing prayers to us in the field of Mindanao Philippines .This is a picture of our recent Moral Value Spiritual Transformation Program with the Philippine National Police , it has been great to establish with them a mutual relationship and to be given many privileges as a civilian in the city with some of the same authority that the “higher ups” have . Put it this way ,hard to do this ministry anywhere else if you get my point ..

Comic Book Tracts Flood Islands !

Many opportunities as we returned to the region of Mindanao with many adjustments in the field again , rewards of Retreading ,to speak to young people and be an encouragement to couples in engaging in “reigniting the Fire” of the Love of the Lord and Marriage . Yet in the middle of it all as I sit next to a young man in the midst of the Hot Sun of Mindanao and handed him a comic Chick “this was your life “ in Cebuano language we speak here . . What a blessing for you all in Chino CA , thanks Papa Jack . . Sure enough as he is reading it he asked me “are you a Missionary .? Well we know where the conversation winds up . He happened to be a saved young man , of course with me just to make sure I asked “ do you really “KNOW “ for sure ? Many people are prayerful and Religious but not Righteous . To My right is kids at our urban poor outreach receiving This was your life Cebuano as well. They are powerful and work great!

Mark 19:14 “ But Jesus said , Suffer little children, and forbid them not to come unto me :for of such is the kingdom of heaven”

Zayas Baptist Bible Church

On Schedule ! And Back to Teaching and Preaching . . Wow what a privilege the Lord has given to us 20 Kids in our afternoon service starting at 430 –530 for Kids and Adults 530 to 630 . Eventually Lord willing we we’ll have a bigger place and a morning service . . For now this work in the line of ministry to our people here in landfill outreach .is a sure a great challenge .My daughter seems to be fully engaged in teaching her own age and she enjoys it . Very much In helping mama out . What a privilege top see the inheritance of the Lord has given us to witness the grace of God .

Not a one time outreach .

Let me say this , what a blessing . In having KUYA(a name for respect to the older man) . Romeo the one all the way **to the left holding child** has been seeing us disciplining his wife and we have witnessed many times his influence of Alcohol but now has Come to church !!.with his wife After 2 years and we have had discipleship and bible studies with the wife Praise the Lord for the Holy Ghost that convicts and leads . . And it took her a while to really understand about what salvation is all about .Praise God and would you pray for Romeo and Evelyn and their growth in the Lord and sister Evelyn will be baptized this month ,That’s progress for him and for us a shock . This teaches me a great lesson that the Lord always be the LORD of the Harvest and the Lords timing is the BEST .We have currently 5 potential members and 15 to 20 . kids We are thankful for this kind of Ministry challenge . Thanks for being apart of it . !
