## CONVICTION OF THE CONVICTED

Our Dear Partners & Friends !

**Prayers** always seem to amaze me in your unfailing love for the Maddens to Mindanao . We are truly grateful to you! . This picture is a touching one for me because it makes me think that the only difference between me and these men is Salvation of the Lord ,how God rescued and freed me from the bondage of Sin and he is doing the same for these precious souls . The opportunity is overwhelming . The only thing is hindering them is the walls around them but the freedom comes from within.
