Dear Beloved supporters,

The Madden family wanted to personally take the time to thank you for your undying levels of support and fervent prayer for us in the Island of Mindanao. This letter is intended to inform you of a minor change of support sending. Everything is the same but our Home church has been venturing out to the 10/40 windows of Asia in their missions program for years now with the Leadership of my Pastor ,Ulysses Marino to start Satellite church works in Communist countries and for the sake of the name the church decided to regroup and make a transition from First Filipino Baptist Church to Global Harvest Fellowship. This transition will obviously open up greater doors to a broader community both at home and abroad. The church will still uphold all of its by-laws and constitutionals of Faith as well as Baptist Doctrinal statements of Faith and will not waiver or change and those we are not affiliated in any form of the Pentecostal movements. If there are any questions to this transition or comments please contact Pastor Ulysses Marino @ 917-915-0473 Thank you all for your labor of Love in the gospel to all nations . Please stay informed of our regular newsletters to follow , you may now continue to mail your support to :
