

**Campus
Crusade
for Christ**

November 30, 2008

Greetings from the Menig family—your campus missionaries in San Diego! We can't believe we're already coming to the end of the Fall! So much has been happening, and we wanted to share a highlight with you.

We started the year at San Diego State having been voted 'the most Degenerate Student Body' in the nation. But God is working on this campus of 40,000. During the second week, a freshman girl named Christy showed up to our weekly meeting having seen one of our flyers in her dorm. She was already considering dropping out since she felt like such an outsider, not really fitting in with people on her floor who were partying all the time. She made it clear that she wasn't a Christian, but felt like we were different than other people she knew. The next week as a few of us hung out at a local yogurt place, we heard more of her story. She shared that her father, an alcoholic, had been missing for the last 8 months and had been disconnected from most of her life anyway. Christy consistently got more involved, even coming to our Fall Getaway and joining a Bible Study with other freshman women. Just three weeks ago, she missed our weekly meeting and she let us know that her father had died in a car accident. A number of us were able to connect with her when she returned to campus and she ended up praying to start a relationship with God. She is still in a pretty messy, painful place, but is starting to understand the love of a Father who is for her... who knows her... and who wants to connect with her in ways her earthly father was unable to. Words don't really express what it is like to see lives like Christy's change... to see her transform. Please join us in praying for her as she experiences, for the first time, a Christmas as a daughter of the King.

We can't emphasize enough how thankful we are for your faithfulness to us and to college students, and how thankful we are that you invest in this ministry. With the economic uncertainty that has affected so many people, we are reminded of your sacrificial gifts for our ministry. Whether we're filling up our gas tank, buying groceries or purchasing materials for the people we disciple, we can only do this because of your generosity. We are committed to pray for you, so please let us know how we can help.

God is so faithful to sustain us. And we are grateful for your prayers and support of our ministry to young people. Watching God meet our needs shows us His faithfulness. Some of our needs at this time are for the yearly Christmas Conference (\$2450), and \$1800 to help cover the costs of some recent medical expenses.

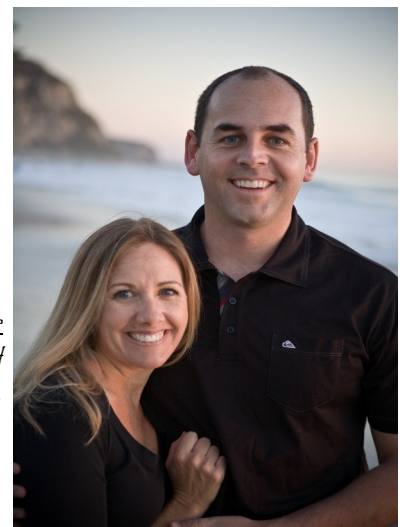

Thank you for taking the time to prayerfully consider what part God would have you play in meeting these needs.

***We so appreciate you!** You enable us to do this strategic work of reaching college students today with the Gospel. **You are making a difference.** Malia, Carter, and Avery are doing great and we will continue to keep you posted on life and ministry through our website, www.kyleandwendy.com, (though it's not as consistent as I'd like) and through our newsletters. And of course we wish you a heartfelt Merry Christmas!*

With much love,

Kyle, Wendy, Malia, Carter & Avery

P.S. Please make checks payable to Campus Crusade for Christ and mail in the enclosed envelope by Christmas with the response form. We will then send the check to be credited to our personal CCC account. All gifts are, of course, tax-deductible.
