Dear Friends,

Chris is a college student at San Diego State. His spiritual background was strong, having grown up in a church in Orange County, but like so many who go off to college, his faith wasn't as important to him during his first few years as a student. We met Chris on campus during one of the times we just walk around starting conversations with students. **He realized that life wasn't turning out how he had expected, and that he "didn't really know who he was anymore."** Chris decided to recommit his life to Christ and has been a true joy in our group the last couple months. He's even been bringing a few of his other friends to meet people and be part of our community on campus, has been leading 'Bible talks' at his house with his roommates and friends who "don't know Jesus yet," and will help co-lead a Bible study next Fall in a dorm.

We keep hearing stories from students at SDSU, UCSD and around the world, of God's goodness and faithfulness to make Himself known. Isn't that amazing? God loves people so much that He reveals Himself to them through college students who are willing to risk and take steps of faith. And many, like Chris, are connecting with Christ as a result!

We're looking forward to hearing a lot more stories like Chris' at two different conferences this summer. I shared in our last newsletter the opportunity Wendy and I have to teach over 300 students going to 10 different countries this summer [at briefing and debriefing times]. We are excited to be asked to serve in this way and we are also excited for our biennial U.S. Staff Conference in Fort Collins, Colorado, later this summer. *We will gather with over 6,000 Campus Crusade for Christ staff members from all over the country to receive great teaching from well-known Christian leaders, to pray and worship God together, and to hear what God is doing around the world through our ministry.* It's always an opportunity to sharpen our skills and to gain fresh vision and passion for ministry.

Campus Crusade allows us to reimburse all of the expenses incurred for our summer. To do this, we need to raise \$5000 above our regular donations. Would you help us attend these important conferences by sending a special gift?

Because the different conferences will last fifteen days, the cost for us is approximately \$334 per day. ***Would you consider giving a gift of \$668 to cover two days, \$334 to cover one day, or some other amount?*** If you are in a position to help, please make your check payable to Campus Crusade for Christ and mail it to us in the enclosed envelope. Please mail it by July 16, if possible. (But a gift sent later will also help.)

Thank you for the vital role you play in helping us serve in full-time ministry. You are making a difference in the Kingdom through your prayers and gifts. *We really would love to get your prayer requests and join you in the areas that are close to your heart. Even if you are unable to give at this time, please send us your prayer requests.* May God pour out His blessings on you!

Serving with you,

Kyle, Wendy, Malia, Carter & Avery
