*Greetings from the **Menig family**- your campus missionaries in San Diego! We can't believe we're already coming to the end of another year! So much has been happening, and we wanted to share a highlight with you.*

*The Fall started in late August for us at San Diego State, when a freshman guy with indie rock hair came up to our table for some free ice-cream. He had a large tattoo of a tree in a windstorm on his right arm and I complimented him on it as he reached for the chocolate sauce. This is how I first met Jordan. At our second meeting, at the campus Starbucks, I was able to share a short Gospel presentation with him and hear more about his spiritual journey and a bit about his life. He had grown up in and out of church and had spent most of high school feeling a bit like an outsider. Now he found himself in a far off place in a lot more ways than just distance and felt more connected at our meetings and socials than he had in years. **He was finding out more about who he was and who he wanted to be.***

*It has been so fun getting to know Jordan and his desire and openness to share Christ with roommates, friends and neighbors on campus. He is funny and talented with a guitar. His is just one of the stories from our sixth year on the campuses of San Diego. In short, we also have a small Bible study going at Grossmont College and have recently restarted ministry at our campus in Tijuana, UABC. Please join us in praying for Jordan and all the other students we've met this fall, that they will truly appreciate the relationship with God that comes through Jesus Christ.*

*We can't emphasize enough how thankful we are for your **faithfulness** to us and to college students, and how thankful we are that you invest in this ministry with prayer and finances. With the economic uncertainty that has affected so many people, we are reminded of your sacrificial gifts for our ministry. **Whether we're filling up our gas tank, buying groceries or purchasing materials for the people we disciple, we can only do this because of your generosity. We are committed to pray for you, so please let us know how we can help.***

*God is so faithful to sustain us. And we are grateful for your prayers and support of our ministry to young people. Watching God meet our needs shows us His faithfulness. **Some of our needs at this time are for the yearly Christmas Conference \$2450, and \$800 to help cover the costs of some recent medical expenses. Also, if you are interested in helping with the needs of our Porn Nation outreach I mentioned in our last letter, please indicate this on the response card.***

***Thank you for taking the time to prayerfully consider what part God would have you play in meeting these needs.***

***We so appreciate you!** You enable us to do this strategic work of reaching college students today with the Gospel. **You are making a difference.** Malia, Carter and Avery are doing great and we will continue to keep you posted on life and ministry through our website [www.kyleandwendy.com](http://www.kyleandwendy.com) [though it's not as consistent as I'd like] and through our newsletters. **And of course we wish you a heartfelt Merry Christmas!***

***Lastly, we are able to offer those of you who are married a discounted "Weekend to Remember". This is a conference that is part of Campus Crusade's Family Life ministry to help strengthen your relationship. Instead of the normal rate of \$129/per person, you can get a rate of only \$69. Just use rate code CCCsupport in the checkout. You can find information or register at [www.familylife.com](http://www.familylife.com). We pray you are blessed by this!***

*With much love,*

*Kyle, Wendy, Malia, Carter & Avery*

*P.S. Please make checks payable to **Campus Crusade for Christ** and mail in the enclosed envelope by **Christmas with the response form**. We will then send the check to be credited to our personal CCC account. All gifts are, of course, tax-deductible.*
