

LINDSEY PARROTT

“Trusting the Lord to turn students into Christ-centered laborers for a lifetime”

May 8, 2011

41 students, 14 staff, 7 weeks, lives forever changed! This is what we believe can happen on a summer project. On May 31st students from campuses across the United States will arrive at Walt Disney World to be a part of the summer project. They will all live together, work together and trust the Lord in many ways to see not only their own lives changed but to share the gospel with their co-workers and see men and women raised up who will take the gospel back to their countries and communities. It is an exciting opportunity for these students to be exposed to the world and gain skills to know how to walk with the Lord and make Him known in a work environment. I have seen time and time again that summer project has been a turning point for students to choose to really live for Christ and make Him known! It is also an incredible time of growth for our staff. For many of the staff that are coming this summer it will be their first summer project. I'm excited for the opportunity to come alongside the staff women and provide training that they can bring back with them to the campus' they are working at throughout the year!

This summer is also our US Staff Conference in Fort Collins, Colorado that is held every other year. The conference runs from July 18-26th. It is an incredible time for all of the staff serving with Campus Crusade for Christ across the States to come together and hear from our national leaders, be renewed in our focus and vision and experience deep refreshment in the Lord as we head back on to the field! I so look forward to this time! It will also be good to connect with friends on staff who are living and serving in other parts of the country. Please join me in praying that God would meet me and refresh me for ministry during this time.

In light of summer project and our national staff conference I will need to raise additional funds on top of what I already raise monthly to cover these expenses. Though I live in Orlando, I will be staying where the summer project students are being housed in order to stay more closely connected to the staff and students. My total needs for these summer expenses are \$2500. I'm excited to see how the Lord will provide for these summer needs!

If you are able to help please give in one of the following ways:

By Check:

Make your gift out to Campus Crusade for Christ and mail the check in the enclosed envelope right to me.

Give online with credit/debit:

<https://give.ccci.org>

type in my name: Lindsey Parrott or account #0521003

*All gifts towards my ministry are tax deductible

I am so grateful for your partnership and all that you do in partnering with me. Would you prayerfully consider if God might be leading you to give a special gift of \$100, or some other amount to invest in the summer project and our national staff conference?

Serving Him with you,

Lindsey
