This past year it seemed like we kept hitting a brick wall when it came to reaching interns from Japan. We have been praying that God would raise up a believer in this country that would have an influence here for Christ. And 1 month ago, I met Nozomi. Nozomi came to the program at Disney with a vision to live for Christ in this place and we met her just one week after she arrived through a student from my church who met her when he was on a missions project in Japan and told her about our ministry here! Talk about supernatural connections! She was involved with Cru in Japan and re-

cently re-committed her life to Christ after the earthquake in Japan. When she texted me that God had answered her prayer a few weeks ago, I had no idea what that prayer was. She told me she was facing much fear in being bold with the gospel here and was praying for courage. God had led her to Acts 18:9,10 “Do not be afraid, but go on speaking and do not be silent, for I am with you, and no one will attack you to harm you, for I have

many in this city who are my people.” She then began to tell me “Lindsey, so we need a plan to reach the people in Japan!”

Nozomi brings many of her co-workers to church, our pizza night and other activities. Several of them have expressed a desire to know more about Jesus. We’ve decided to start a small discussion group among the Japanese interns to help them explore Christianity! **Pray for courage, boldness and protection for Nozomi and that God would continue to lead us to the “many in this city who are His people!”**

PRAYER REQUESTS

- Pray for the Japanese interns who have expressed an interest in knowing more about Jesus: Mikae, Hanae, Yuki, Yuri, Yasu and Masa. Pray that we would see a spiritual movement form in this place and that God would radically intervene in the lives of the Japanese
- I just moved! Pray as I transition to a new home and new roommates. I now live right next to where interns at Disney live which has been so cool! Pray that I would continue to transition well!

Meet Mikae

Mikae is a very spiritually interested Japanese intern. She has come to church and spent much time with us! Nozomi and I went through the gospel with her a couple of weeks ago and she said “I want to be ready to trust Jesus but I still have many questions!” She has since come to our bible study and wants to spend time studying the Bible and learning more about Jesus. I am amazed at how God is moving in her heart and giving her a deep desire to know who He is. Pray that her heart would continue to be open and that she would place her faith in Jesus soon!
