

August 13, 2010

Hello from Ohio! I hope the summer has been refreshing thus far. I've had so much fun getting to spend time with many of you and meeting new people who have joined my support team! God has continued to amaze me with His provision in my life this summer as He prepares me for my move to Orlando to be a part of the new Missional Team reaching college students in the college program at Walt Disney World.

It's exciting to be on this new team that is reaching college students from all over the world who have the potential to go back to their campuses and countries with the tools to be a spiritual influence *so everyone can know someone who truly follows Jesus*. As the Lord increases my vision for what He could do through this ministry I keep thinking "these students are coming from all over the world to intern at Disney World and we offer them the chance to not just have a fun and magical time at Disney and in America, but to go home having heard of the life changing truths of Jesus Christ and know how to communicate those to others." What an opportunity!

I recently heard of a story of an intern with the WDW college program from China, who was invited to the church I attend in Orlando. As one of the staff met him and talked with him after the church service he found out that this student had never set foot in a church before! I can't help but wonder how many more students interning at Disney are coming from similar backgrounds, open to learning more about Jesus if someone would just engage in spiritual conversation with them. And this is what I get to do!

Thank you for praying for and supporting me so I can engage in the mission at Walt Disney World! *Your gifts make it possible* and I am *so encouraged* by your sacrificial and generous support. As I complete the process of fully transitioning to my new role and location, I wanted to share a current financial need. The end of this month, I will move into a new living situation and bring the rest of my belongings to Orlando from Ohio. *As a result, I need to raise an additional \$3,500 by September 1st to cover these expenses.* **Would you prayerfully consider helping me at this time with this special need?** There are 2 ways you can help! First, if you would consider a special gift of \$100 or some other amount, I would be very grateful.

Secondly, if you're led to give a gift, have already given a one time gift OR are giving on a monthly basis, would you take a moment and review the attached "Matching Gifts" form? There are many companies that match contributions to non-profits including those made to Campus Crusade for Christ. If you happen to work for a company on the list, please let me know via phone, email or response card. I can provide information on the process to ensure your gift is *doubled!* Thank you so much!

I am so blessed by your faithful friendship and partnership in the Gospel. You are a blessing in my life and I truly could not do this without you!

Reaching nations together,

Lindsey

P. S. If you prefer to give by check, please make it payable to Campus Crusade for Christ. Thank you.
