

# LIFE WITH LINDSEY

“THE GOSPEL OF JESUS FOREVER CHANGING LIVES, COMMUNITIES AND COUNTRIES AROUND THE WORLD”

## WELCOME TO MIAMI!

New Zealand, Australia, Norway, Morocco, South Africa, China and the US. Disney Interns from each of these countries came with us on our first Spring Trip for them! Our desire was to have a trip where interns (both those who know Jesus and those who don't) would have an opportunity to experience the body of Christ, serve in the community and enjoy a different part of Florida! We partnered with “Touch of Love Miami”, a program that ministers to kids in the inner-city of Miami. After our day in the inner-city, Linda, from Norway said “It's nice to not just be a tourist but actually spend some of our time here helping people”.

I also celebrated my birthday in Miami! We all went out to eat and Hannah and I split a delicious key lime pie! Age 32 is starting off great!!!

Of the 11 Disney interns that came with us, 4 do not know Jesus. It was so fun to get time with the interns, getting to know them and talk about the love of Christ with many of them. In the car ride back from Miami, I was able to talk frankly with Hannah, from New Zealand about how Jesus has affected so many parts of my life. She's still figuring out what she believes but is interested in coming to the Bible Study that Kevin and I lead for Disney interns! **Pray that she would come and the Lord would soften her heart to the gospel as well as the other 3 that came on the trip who don't know Christ yet!**

## OUR GROUP AT “TOUCH OF LOVE MIAMI” AFTER A LONG DAY OF WORK!

Adrienne and 2 Disney interns from Morocco, reading to kids in the after school program.

Enjoying time at the beach with some of the women on the trip and a pineapple that somehow washed up on the beach... we decided to open it (risky, I know!) and it was DELICIOUS! A great bonding moment!

## WHAT COULD 5 MINUTES IN NORWAY REALLY DO?

**Linda (Left) and Sam (from New Zealand) on our Miami trip.**

Cate and I were at Epcot meeting interns in the college program and catching up with those we had already met. We had about 5 minutes left before we had to head out of the park and decided to swing by the Norway pavilion and just see what the Lord might do. I have to be honest, I was thinking “we only have 5 minutes, we might as well just leave... what could 5 minutes in Norway really do?” I mentioned in my last letter that we’ve been praying specifically for interns in Norway to know Jesus and for the Lord to surface other believers that are here that we don’t know about yet. As we walked into the Norway Pavilion, Cate and I both see interns we know, and I see Linda, a girl from Norway who came to our Thanksgiving and Christmas outreach who I hadn’t had the chance to get together with. Somehow the topic of church came up and Linda said quickly “I have off every Sunday, I’d love to go to church”. We quickly exchanged information and that Sunday, Linda came to church. The following week Adrienne and I got to sit down and go through the gospel with her and found out she’s a believer who really wants to grow but doesn’t know how! Since then, Linda has faithfully come to church with us each week and we’ve started to go through the basic follow up with her! She came to Bible Study for the first time a couple of weeks ago and as I asked her what she thought she said “I’ve never been to a Bible Study, I really enjoyed learning how to study the Bible more!” Ingrid (new believer from Norway) and Linda have become good friends since then and it’s so cool to watch God provide a community for them both as they seek to grow in their relationship with Jesus! In 5 minutes in Norway, all we did is find out a girl wanted to come to church and then look what happened!

## CELEBRATING A YEAR TOGETHER!

Perhaps you’ve caught on in some of my letters or on facebook that I’ve been dating someone! The end of February, Kevin planned an incredible evening for the 2 of us... celebrating a year of dating! Our theme was an evening in Paris, complete with a trip to a great restaurant in the France Pavilion at Epcot! Kevin happened to know the manager that was working at the restaurant at the time and he put us at a great window seat (where we could see the fireworks), brought us out some fun drinks to start our evening and an appetizer... for free! The Lord so blessed our evening and it’s been neat to reflect on all the adventures He has given the two of us over the past year as we continue to grow together! **Please be praying for us as we continue to seek His direction for our lives and enjoy being on the same team and lead the Walt Disney World Summer Project together!**

**Thank you for  
your continued  
prayers and  
support!**

*Serving Him,  
Lindsey*
