

Life with Lindsey

SEPTEMBER 24, 2010

CAMPUS CRUSADE FOR CHRIST

WALT DISNEY WORLD MISSIONAL TEAM

Meet the NEW Walt Disney World Missional team!

As I was raising support in Ohio, I skyped in on some of the planning meetings that our team was already having so it was fitting that our first team picture would be me on skype with the rest of the team! From left: Joshua and Rose Barta, Adrienne Minor, Me, Cate Gilmer and Kevin Dennis (our Team Leader). 1 Couple and 4 singles!

A new team, a new home, almost in the groove...

I say "almost in the groove" because even though I moved back to Orlando 3 weeks ago, I'm still finishing up the last bit of support I have to raise before I can start working with the team and the college students at Disney World full time. I have to say that I am so excited for what God has in store this year. Along with working with the college students and interns, I'm also going to have the privilege of training and developing the 3 staff women on the team as they grow in ministering to these students at Disney. I've already been hearing stories of how God has been leading the staff to students whose hearts are hungry for Jesus. Recently 4 Moroccan students spent an evening with some of our staff and got into a lively conversation about Christianity and just last night Cate

and Adrienne got to see 2 women from Scotland place their faith in Christ after they went through the gospel with them! So exciting to think of the people who will have a chance to hear about Jesus from so many different countries! Can you tell I can't wait to join my team on all of these conversations they are already having with students?! God is at work here!

I'm so grateful for your prayers and support of this ministry as we go after the nations with the gospel together!

Lindsey

Left: It was fun to be at the wedding of one of the women from Wright State (Jen) that I had disciplined and see so many others I had disciplined over the years! Here I am with 5 of those women!

It was a summer full of weddings!

Right:

One of my best friends, Julie and roommate for 5 years got married!

It was so fun to be in her wedding!

Biggest Prayer Request:

That the Lord would provide the last \$100 in monthly support I need to be able to start working with the team and ministering to these college students and interns! Check my website for updates on where I'm at!
