"Ye are the light of the world. A city that is set on an hill cannot be hid."
Matthew 5:14

Dear family and friends,

The light that some of the kids from Haven of Hope are bringing to their homes will change them forever! It's incredible to see how the kids have become passionate about the devotional time we have before the classes start.

Now we are working at total capacity at Haven of Hope! Pray with us as we look for a place for Haven of Hope to purchase. Unfortunately, we lease the building we are in today, and we cannot make many improvements.

The 21st of last month was a holiday in Brazil, and we had a special event at our local church to integrate the kids from the Kids Club and Haven of Hope with the kids at church.

This last weekend, Carmen organized a ladies' breakfast for the mothers of kids who attend and attended Haven of Hope and moms of kids who come to the Kids Club. The feedback she had was excellent, and she was able to share the Gospel.

The construction of our hose is also coming along well! But unfortunately, inflation in Brazil has been very high (12.75% official and over 25% in the "real world"), which has made us slow down on construction due to financial reasons. Nevertheless, we are now planning to move in late July.

We raised 90% of the funds we need to finish the house. If you would like to help with funds for the construction, you can send a gift to our account at Haven of Hope (information below in Financial Support).

In Christ,
Andrew, Carmen, Rebeka, Timotheo and Deborah Pereira
