November 2021

"O give thanks to the LORD; for he is good; for his mercy endures for ever."
1 Chronicles 16:34

Dear family and friends,

We are very thankful to be back with the "in-person" Kids Club! We started meeting in the building where Haven of Hope works during the week. In our first meeting, we had about 40 people participating! November 27th will be our next meeting.

Kids Club at Haven of Hope

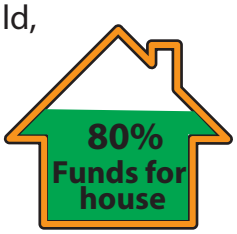

The economy in Brazil has been suffering the consequences of COVID-19, and inflation has been high; this month our home rent will have an increase of 22% due to inflation. For this reason, Carmen and I decided to start building a house; we have been saving funds since we married and have about 80% of what we need.

Tractor working on the landscape of the lot for the house

The construction has started, and they are working on the foundation; the next step will be the walls made with clay bricks.

If we are able to have all the funds, the house will be done by April of 2022. If you want to help us build, funds can be sent to our account at Haven of Hope.

Please be praying for the kid's homeschooling material. This year, we were not able to go to the USA or find someone to bring the material. For this reason, we had to send the material via postal service. It's 60 pounds of material, which turned out to be quite expensive to ship. We are praying the material is not delayed in customs or gets lost in the Brazilian mailing system.

In attached is a Magnetic Prayer Card with our information and an updated photo of our family.

We thank the Lord for your prayers and support! They are what enable us to continue spreading the Good News among the Brazilian people.

In Christ,

Andrew, Carmen, Rebeka, Timotheo and Deborah Pereira
