Wait on the LORD: be of good courage, and he shall strengthen your heart: wait, I say, on the LORD. ***Psalm 27:14***

Dear family and friends,

During the last months, we have found good courage that strengthens our hearts, knowing the Lord has more in store for us in the ministry in Brazil.

We thank all of you that have been praying and sent financial support during this transition time in our lives. It is a great encouragement for us to know you are part of the ministry praying and supporting us financially.

September 18th Rebeka turned ten years old! We are very thankful that she is growing in the Lord and helping us with the ministry.

Rebeka's birthday

Due to COVID-19, our transition process has suffered some delays. We have been fulfilling all the policies and requirements the United World Mission has for us to transition to a new ministry.

This last week we participated in a Debriefing Process with GRC, a third-party organization that specialized in helping and guiding missionaries in the transition process. From Tuesday to Friday, we had 2 to 3-hour meetings to process what the Lord did through us in our last ministry, give a closing, and plan for our new ministry.

During the last months, we have been having meetings with a new ministry. Initially, we had some online meetings, and last month we were able to visit them and receive an invitation letter.

The next step will be our American mission to establish a partnership with the new ministry enabling us to serve as missionaries.

We also have to move out of the house we are living in by November.

Carmen continues with the online meetings for the Kids Club; there now are kids from different cities and states participating!

Andrew also continues helping in the delivery of online services at our local church.

Some of you may remember Karol; she accepted the Lord as her Savior at our house, and Carmen has been doing discipleship with her. Now she has been sharing the Gospel with the kids she takes care of.

Karol

Continue praying for our transitioning to a new ministry, finding a new place to live, moving process, and adaptation for the family in the new city, church, and ministry.

In Christ,

Andrew, Carmen, Rebeka, Timotheo and Deborah Pereira
