March 2023

"So shall my word be that goes forth out of my mouth: it shall not return to me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it."
Isaiah 55.11

Dear family and friends,

In December, Carmen's father was diagnosed with aggressive cancer in his intestines. He had surgery to remove the affected portion, but tests showed the cancer had spread throughout his body. He needed chemotherapy, but thankfully the surgery was scheduled quickly and the main portion of the cancer was removed. In January, further tests showed no trace of cancer! We believe this is a miracle from God.

In January, Deborah turned 5 and we had some friends over to celebrate. We also celebrated our 15th wedding anniversary. In February, Timotheo turned 10 and we had a fun party with friends and family. This Sunday, Rebeka will be baptized and we are overjoyed for her decision.

Timotheo's birthday

We received a great testimony this week from a mother who shared that her son is doing well in school after participating with us last year. She said he is excited about going to school and his behavior, responsibility, and respect for others have improved. The word of God never fails!

For the past two months, we have been preparing for the 2023 school year at Haven of Hope, including working on the building and materials. The kids will start coming in the second week of this month. Please pray that their hearts are open to hearing the Gospel.

We are also starting the Kids Club this month for kids who come to Haven of Hope during the week, as well as those from the neighborhood and homeschool families.

This year, we plan to visit the USA from August to December. We are currently looking for affordable tickets and a van to use while we're there.

Be part of what God is doing in Brazil by supporting us financially, you can find more information on how to be part of our support right bellow in **Financial Support**
