

# April 2025

***"Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. Believest thou this?"***

***John 11:25,26***

**Dear family and friends,**

The gospel is the most valuable message to share with those who haven't yet believed in Jesus as their Savior. At Haven of Hope, we see many children seeking a Savior and we can share the gospel. For instance, Michael, a 7-year-old, believes in evolution and says humans came from monkeys. Questioning him gently— like asking if his friends have tails — revealed his confusion. Often, people believe in falsehoods without examining them deeply. It's a joy to teach them the truth about creation and God's love.

This year marks ten years as full-time missionaries for us. Looking back, we are amazed by how God has provided in both small and big ways — like raising funds for a boy's glasses or answering prayers for good weather during an event. Many children and teens have embraced Jesus, such as Karol, who remains in contact with us. Each moment reminds us of God's grace in transforming lives through the gospel.

Recently, God answered another prayer by helping us raise the funds to buy the property where Haven of Hope operates. After negotiations, the owners accepted a counteroffer that fit our budget. We see God's hand in every step, from raising the money to reaching a fair agreement. This blessing strengthens our belief in His provision and guidance as we move forward.

On April 23rd, we will sign the purchase contract in four monthly payments. Please pray that the funds from the U.S. arrive in Brazil smoothly and at favorable exchange rates. Fluctuating rates have presented challenges, but we trust God will work everything out.

Also, pray for Michael, the boy we mentioned at the beginning of the letter. He comes from a troubled home and has been exposed to anti-Christian teachings. Though initially resistant, he is now searching for meaning. We ask for the Holy Spirit to work in his heart and lead him to salvation through Jesus

***Blessings,***
