"For the LORD giveth wisdom: out of his mouth cometh knowledge and understanding."
Provérbios 2:6

Dear Family and Friends,

During our time in the USA raising support, we know that the Lord was with us leading the way! We traveled more than 10.000 miles with a 2003 Honda Odyssey van, a church in Bothel, WA bowered. During all this traveling, we did not have one flat tire or accident!

We thank all the people and churches that opened their door to receive us, let us share about the ministry and invest in God's ministry in Brazil.

Leaving Brazil in September, we had 30% of the minimum monthly support required by the mission to continue as missionaries. This January, we reached over 95%, and if everyone that pledged to support starts, we will be able to achieve 100%. If you would like to begin supporting us, follow the instructions on the bottom end of this letter.

Christmas was at Carmen's parents home in Campo Grande (650 miles away) since we were in the traveling mode why not continue?! Lol

We came back to Três Ranchos on January 3rd to help with the Summer Camps. For the first week of camp, 30 scholarships were raised!

We spoke to the kids during the first week of camp, and during the second week, we helped in different activities. Andrew was also able to teach in the camp leadership classes.

On January 18th, our "little" Deborah turned two years old, and on the 19th, we had our 12th wedding anniversary.

February 1st, the "Kids Club" started, and there were 23 kids! Some people and churches donated to the "Kids Club," and we were able to purchase material, tables, and more floor mats! We were able to take some of the kids that participated last year to camp in January with scholarships!

During our time in the USA, the board of directors made changes to the directors of the departments at camp, and we were only informed of these changes this week. Please pray for wisdom and discernment from God to understand all that is happening here at camp.

In Christ,

Andrew, Carmen, Rebeka, Timotheo and Deborah
