But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint."
Isaiah 40:31

Dear family and friends,

10 years as missionaries

As we read Isaiah chapter 40, we are reminded of the attributes of the Lord and how He will strengthen us.

In December we celebrate 10 years of full-time missionaries deployed in the field! We cannot count the times that the Lord strengthened us and through each of you, be it by prayer or donation, made it possible for us to continue serving a full decade!

We rejoice for the opportunities the Lord has permitted us to share the Gospel, help and lead people to Jesus and see firsthand the transformation that happens inside out and is a miracle by itself. We glorify God for this and recognize that He is the only one that can make changes that transform lives forever.

Our Thank You goes to all of you that faithfully pray and supply for our daily needs; you are the ones that made it possible for us to reach this milestone serving the Lord.

The purchase and payment for the headquarters for Haven of Hope Brazil were a ministry "dream" come true. In our human and imperfect eyes all seemed impossible. Time after time we were reminded of the living God we serve and that for Him there is no impossible. Our daily prayer is that you can also experience this living God that supplies all our needs and is generous unto each of us.

The 14th of December we celebrated Carmen's birthday! We are thankful to God for her dedication serving our family and the ministry in such a loving way!

December 11th we had the graduation of the students that Haven of Hope Brazil served this year. The joy and thankfulness of each of them was indescribable. The parents expressed gratitude for taking time, patience and persistence in teaching their kids. Many expressed how they already had "given up" on their kids and did not expect much from them. They did not count that God had a different plan for their kids' lives. The transformation that only the Gospel can make in the life of a lost one and the light that it brings into the dark homes, schools and wherever it may go, reflecting the Glory of God!

On the back of this letter are some of the students that attended this year. Be praying that the Lord may continue to guide each one of the students. We are also raising scholarships for the 2026 students. We are looking to raise twenty one scholarships and maybe you would like to participate. You can do this by donating $50/month or $600/year and make a lasting difference in the life of a student! Find out how you can do this in the "Financial Support Online and by Mail instructions", below in the highlighted instructions.
