"He that handleth a matter wisely shall find good: and whoso trusteth in the LORD, happy is he."
Proverbs 16:20

Dear family and friends,

We are very glad that Haven of Hope Brazil was able to open its doors and receive kids this last week!

We can only work at 35% of our capacity and have to follow sanitation procedures. It is a blessing to be permitted to work with the kids!

The day starts with a Bible study!

Math class!

Art class!

Portuguese class!

We started the year with a Bible study for the kids, with songs and fundamental Christian beliefs. After this time, the kids divide into three groups for Portuguese, Math, and Art classes.

The kids we receive come from a public school and were chosen by the school's coordinator due to vulnerability, learning disabilities, or other related problems.

Kid's Club Online

It's also a blessing to be back with the online Kid's Club! For the first online Kid's Club we had kids from Três Ranchos, France, Belgium, and other cities from Brazil. This year we want to have activities involving the kids and their parents in the Kids Club. Our last Kids Club was learning to bake Chocolate Chip Cookies. We all had a blast!

We are so happy that on January 18th, Deborah turned three years old, and on February 8th, Timotheo turned eight years old! They have been enjoying our last days of Summer.

We have been having some difficulties getting the kids homeschooling materials due to all the travel restrictions. God willing, the homeschooling material will be arriving by mid-March. In Brazil, the school year started in February.
