"And the gospel must first be published among all nations".

Mark 13:10

Dear family and friends,

We had a great Online Kids Club Vacation Bible School! There were kids from different parts of Brazil, England, France, and even Angola in Africa! About 50 kids were participating daily during the week.

On Saturday, for the closing of the VBS, we met at a park with the kids that lived here in the region and met "in-person" with a time of Bible story, songs, games, and snacks. About 30 kids came with their parents!

Last day of VBS at the park

At Haven of Hope, we had two weeks of winter break for the kids during July. In the first week of August, the classes started for the second semester.

Haven of Hope

We started working on a personalized curriculum that we will use every year and add as needed. For the past years different material was being used, and every year they would start from scratch.

We also started a Bible verse memorizing competition at Haven of Hope; the exciting part is that some kids who said they did not believe in God have begun memorizing the verses. We know that the word of the Lord can transform their hearts!

Carmen continues helping the kids at home with homeschooling and preparing for the Online Kids Club. In October, she is going to be a speaker for an online homeschooling seminar.

Rebeka turns 11 years old on September 18th. She has been making good friends. She enjoys drawing and history.

Timotheo is eight years old and loves to ride his scooter. He also enjoys building robots.

Timotheo, Deborah and Rebeka

Deborah is three years old and is happy to live close to her cousins, which are close to her age.

Here in Brazil, the cases of Covid19 have been under control for the last weeks, and there have not been any outbreaks of any new variants, thank you for your prayers!

In Christ, ***Andrew, Carmen, Rebeka, Timotheo and Deborah Pereira***
