"Thanks be to God for his unspeakable gift." 2 Corinthians 9:15

Dear friends and family,

As missionaries, we are thankful God allows us to share with others about His unspeakable gift!

God blessed our move to São José dos Campos! We were able to find a home to rent and an excellent moving truck that loaded our things and delivered them the next day!

After taking all our furniture apart now, Andrew has been putting everything back together. Our son, Timotheo, has been helping him also. Carmen and the girls are busy putting everything in place and thankful for all the plants we received as a welcome gift in our new home!

We have had several meetings with the board of Haven of Hope Brazil to plan 2021. We also met with the teachers, coordinator, and volunteers we will be working with next year. They are thrilled to have us coming on board to direct and coordinate the organization on its executive side. The teachers are all Christians and love to work at Haven of Hope, where they have a chance to teach and share Christ with the kids.

It's exciting to accomplish the new mission the Lord has given us! Kids in vulnerable situations will be able to receive the help they need and be capacitated to excel in school and life, and all of this with the chance of sharing with them Salvation in Jesus Christ!

Here in Brazil, we have had a rise in the number of cases of COVID-19, and people close to use catching it. Pray that the Lord may keep us in good health and have the wisdom to proceed day by day.

In Christ,

Andrew, Carmen, Rebeka, Timotheo and Deborah Pereira
