São José dos Campos, SP - Brazil **March 2026**

Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, unto him be glory in the church by Christ Jesus throughout all ages, world without end. Amen. Ephesians 3:20-21

Dear family and friends,

In ministry, we are often confronted with difficult situations, whether helping someone through a hard time, navigating complications in a task, or trusting God on support. But one thing we witness firsthand is how God so abundantly provides for every need, in ways we never could have thought or imagined, all for His glory.

This year we have an exciting group of kids at Haven of Hope Brazil! The school asked us to keep six students from last year who began attending in late 2025, and they have also sent new students for this year. The returning students have been a wonderful help to the newcomers, and the teachers are grateful for it too.

On the first day of school, we invited the parents to come along. After going over how everything works, one of the mothers, whose daughter started attending late last year, stood up and began sharing how the ministry has been a tremendous blessing to her daughter. It was a beautiful, unplanned moment: a living testimony of the transformation Jesus brings to children and families.

Kids Club

We started Kids Club activities for this year, though we've been dealing with heavy tropical storms. We prayed for good weather, and while Saturday morning started with thick fog, by the time we arrived at Haven of Hope and got everything set up, the sun was shining! We had a wonderful group of kids, many were students from the week who had invited their brothers, cousins, and neighbors.

This past Sunday, we had a special moment during the morning service at our local church. We took time to thank God for the purchase of Haven of Hope Brazil's property and to share with the congregation about the new group of students we've welcomed this year.

Special moment at local church

We were able to purchase our airplane tickets for our furlough and we will be in the USA from late August until the beginning of December! As soon as we have specific dates and locations confirmed, we will make sure to let you all know.

Blessings, Andrew, Carmen, Rebeka, Timothy and Deborah Pereira
