Dear <INCREASE>,

Another summer is quickly disappearing. Is it just me or does it seem shorter every year? I hope yours has been enjoyable and refreshing.

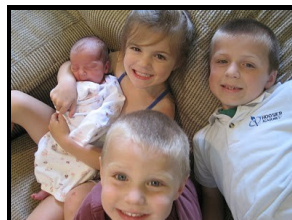

If you've been able to read any of our latest newsletters you'll know that our summer has been a time of great transition. Our new daughter, Isley, is now six weeks old and starting to smile at us, we think. We are also in the middle of relocating to our new ministry assignment at Northern Illinois University in Dekalb, IL. We are so excited to help raise up a new generation of Christian leaders from the college campus who will take the life changing message of the gospel to the world!

The fall semester at NIU begins August 19th and we would love to be there to start the year. One major hurdle in our way is the need to raise additional monthly support in order to cover the increased cost of living and our new baby. **A donor of ours has graciously offered to help us get to campus more quickly by providing a matching monthly donation of \$500 for the next two years.** If we can raise \$500 in new monthly support between now and August 19th we'll essentially have raised \$1000 in new monthly support. This would enable us to start the semester with our team!

We hope you've been encouraged to read about how God has been working through our ministry. **Would you please consider increasing your current giving by \$10, \$15, \$25 or any other amount? Remember your increased giving will be doubled for the next two years.** We love being used by God to reach students with the gospel and through your giving we can get back on campus quicker.

If you decide you would like to increase your normal giving simply increase the amount on your check or call 888-CRUSADE or email eGift@ccci.org and let them know the new total.

Thank you for considering this investment in eternity. If we haven't heard back from you in a few weeks I would love to give you a call to see how the Lord has led you.

Blessings,
