For the grace of God has appeared, bringing salvation for all people, training us to...(wait) for our blessed hope, the appearing of the glory of our great God and Savior Jesus Christ...

### Waiting In Line For Jesus

If you don't have that special someone who wants to take you out and buy you flowers and candy, what will you do the night of February 14<sup>th</sup>? Well, Sarah, one of the staff women on our team, decided to do something about that. She planned a V-Day party complete with a sappy chick flick and plenty of sweets. Over a dozen women from the dorm she serves in came to hang out for the evening. Sarah also asked many girls to fill out a quick survey that contained questions about love and relationships. A number of women indicated on the survey that they would be interested in hearing more about a relationship with God. Sarah was able to set up two appointments right near the same time. She met the first girl, but soon after they began talking about the gospel the other girl came down the stairs. Sarah recognized her from the party. The girl sat down a few seats away and seemed to be waiting to talk. Sarah found herself in a tough situation, not wanting to rush through things with the first girl, but also not wanting the girl waiting to get tired and leave. It's times of tension like this when we turn to God and thank him for being sovereign over salvation! Sarah did get to share the unconditional, always pursuing, never ending love of God with both of these girls that day and they both indicated a decision to receive this love through trusting in Jesus the Savior!

### BIG BREAK

We're writing this from Big Break 2011! Big Break is a week long spring break conference designed to help students become life long lovers of God who also love the lost and really want to see people come to know and worship the God who made them. Please pray for all the spiritual conversations, gospel presentations, and sunburn sensations that were made during this week with students from all over the world.

Stories to come next time!
