

THE REDDY CRU

A LIFE CHANGING COMMUNITY OF STUDENTS PASSIONATE ABOUT CONNECTING PEOPLE TO JESUS

“My Religion Is Taking a Vacation.”

This was the common sentiment as we spoke with thousands of college students in Panama City Beach, FL.

Ross from Iowa State could not see past the hypocrisy of Christians to embrace the forgiveness and righteousness that God provides in Christ. For him, being a Christian just meant being good. He had no clue why Christians went to church, read the Bible, and prayed. “It doesn’t seem to really make them better people. They still sin, so what’s the point?”

I was able to share with him that people who draw near to God through Jesus alone become more like God as they spend time with Him and His people.

Please pray that Ross, and others like him, would come to know the savior they so desperately need.

SPRING BREAK

NIU students playing with our kids on our free day!

Tim, who experienced God’s love and forgiveness in the gospel at Indy CC, wanted to take more steps of faith in learning how to share the gospel with others on Big Break!

Our kids probably did this to Tim.
