Prayer | Care | Share is a three week evangelistic journey that will help students grasp God's heart for the lost all around them. College students are surrounded by people who don't know Christ. From their classmates, to their dorms, to their apartment buildings, they can't help but run into people who have yet to see the need for Jesus Christ in their life. Prayer|Care|Share is a blueprint for a lifetime of radical witness for Christ.

Prayer

We are calling the movement of CRU to pray for, care for, and share with those individuals in their life who God leads them to. It will start with a week of passionate, daily, prayer for God to put people on our hearts that He wants us to pursue.

Small groups will be meeting all round campus this week to pray for God to move in the lives of the people they are praying for.

Care

The second week is to meant to take steps to deepen the relationship with those people that God puts on our hearts. It can be as simple as asking them to go out for coffee and just asking questions and listening.

Right now we are in the midst of the care week.

Share

The final week is for us to take bold steps of faith and try to share the gospel with those people that God has laid on our hearts.

Please pray for students to be bold and step out in faith. To trust God to use them and work through them to draw their friends to Christ.

Above are specific students that Heather and I are ministering to. Please keep them in your prayers by name for Prayer|Care|Share.
